Dear Community Supporter,

On Thursday May 11, Safety Center will host the **16th annual Taste of the Little City at Safetyville USA**. Since its inception, this event has raised nearly a half of a million dollars to support the life-saving messages delivered through the Safetyville program. This unique children's safety education program provides children ages 4-9 a highly interactive docent guided tour of our little city. They learn important health and safety lessons such as, pedestrian safety; fire safety; stranger-danger; animal safety; how and when to dial 9-1-1; nutrition; dental hygiene and the value of exercise.

Not only is it the premier fund raising event supporting Safetyville, Taste of the Little City offers a one-of-a-kind experience for adults to stroll the streets of Safetyville while enjoying fine food, award winning wines, and microbrews.

As a vendor at this event, you will receive the following benefits:

- Four tickets to the event. Two tickets that are redeemable at the back gate for those who are working your table, and two complimentary tickets for you to use as you wish
- Recognition on event marketing materials and on Safetyville website and event program distributed to all attendees (expected attendance is 800)
- Exposure and recognition as an organization committed to the health & safety of the community

Can we count on your support as a vendor?

If you have any questions, or would like more information, give me a call at 916.438.3355.

Sincerely,

Kelly Huffman
Vice President of Development & Communications

All proceeds from *Taste of the Little City*, including auction item bids, will support the children's safety and health education programs at

Our non-profit Tax ID# is 94-2831134. For more information, please visit us at: www.safetycenter.org
