### ABOUT SAFETY CENTER AND SAFETYVILLE USA

Safety Center is a 501(c) 3 organization founded in 1934 whose mission is to reduce injuries and save lives by empowering our community to make positive life changing decisions. We accomplish this mission by promoting lifelong safety and health through a variety of community and professional programs.

Safetyville USA is a miniature city used to take children on highly interactive guided safety & health tours. By instilling these skills at an early age, this program builds a healthy and safety conscious community of future adults, parents and employees. On the Safety & Health Tour, children learn pedestrian safety, proper 9-1-1 usage, animal safety, fire prevention and control, as well as lessons in healthy eating options, exercise, nutrition, and dental hygiene, just to name a few.
