## **FOR IMMEDIATE RELEASE**

### **Safety Center announces new Chairman of the Board**

*Michael Alvarez, retired Regional Manager of Cal/OSHA Consultation, takes the reins as Chair of the Board at Safety Center Incorporated.*

**Sacramento, CA (July 30, 2013)** – After an accomplished career with Cal/OSHA, Michael Alvarez has lent his time, talents and expertise to Safety Center's Board of Directors and will begin his term as Chairman of the Board July 30<sup>th</sup> 2013.

Michael first became involved with Safety Center when, as manager of the Cal/OSHA Education and Training Unit, he first partnered with Jerry Bach, Safety Center's VP of Workplace Safety department. Together they developed several successful partnership programs such as the Cal/OSHA 8 for Construction which helped many employers qualify for the Cal/OSHA Golden Gate and SHARP Partnership Programs.

He wasn't surprised by what he saw at Safety Center, but more impressed. He found that the Safety Center was committed to the safety profession in both community and occupational. The people of the Safety Center were very professional and passionate in their work. They were not about making a buck - they were about getting positive results which was our goal in Cal/OSHA Consultation.

With hopes to meet the full expectations of his peers, Michael strives to do everything possible to achieve the goals of Safety Center during his term as Board Chair by working collectively and through progressive partnerships.
