Dear Community Supporter,

On Thursday May 10, Safety Center will host the **17<sup>th</sup> annual Taste of the Little City at Safetyville USA**. Since its inception, this event has raised nearly a half of a million dollars to support the life-saving messages delivered through the Safetyville program. This unique children's safety education program provides children ages 4-9 a highly interactive docent guided tour of our little city. They learn important health and safety lessons such as, pedestrian safety; fire safety; stranger-danger; animal safety; how and when to dial 9-1-1; nutrition; dental hygiene and the value of exercise.

Not only is it the premier fund raising event supporting Safetyville, Taste of the Little City offers a one-of-a-kind experience for adults to stroll the streets of Safetyville while enjoying fine food, award winning wines, and microbrews.

*We are hoping you will participate in this special event by donating a **silent auction item**.*

As a donor for the event, you will receive the following benefits:

- Recognition in event program distributed to all attendees (expected attendance is 600)
- Exposure and recognition as an organization committed to the health & safety of the community

***Can we count on your support?***

Enclosed you will find an Auction Donation Participation form. Please take a moment to complete the attached response form and return it by **April 6<sup>th</sup> 2018**. If you have any questions, please give me a call at (916) 366-7233 ext. 1203 or send me an email: [angela@safetycenter.org](mailto:angela@safetycenter.org).

Sincerely,

Angela Tanner  
Safetyville USA Event Coordinator
