Dear Friend of Safetyville USA,

Since 1984, our children's program, Safetyville USA, has been instilling safety values in children. Complete with sidewalks, crosswalks, stop lights and signs, abandoned building, police and fire stations, dentist office, grocery store - and much more - this 1/3 scale town sits on three and a half acres. Safetyville USA's unique setting offers a safe place for children to practice everyday safety skills, helping to lay the groundwork for lifelong safety and health. Groups of children (ages four through 3rd grade) take a highly interactive guided tour where they learn everyday safety skills to keep them safe in their homes and in their neighborhoods.

Halloween Haunt at Safetyville USA was created to provide a safe alternative to trick-or-treating as well as a way to raise funds to support this vital safety education program. The event features entertainment, safety activities and demonstrations, carnival games and a costume parade.

The event will take place on Saturday, October 27, 2018, from 11 a.m. to 3 p.m. This community event is hosted at our unique miniature city *Safetyville USA, 3909 Bradshaw Road.*

We need your help to make it the best event yet!

Thank you for reviewing the enclosed event information. I hope you choose to partner with us and help make this 27th annual event a success! Please return your participation form by Friday, September 21 to be included in promotional material and advertising. If you have any questions, please give me a call at 916.366.7233 ext 1203. We look forward to hearing from you.

Sincerely,

Angela Tanner
