

Safety Center Traffic Control & Flagging Instructor Resources

Maintenance

In order to maintain the Traffic Control and Flagging course, we ask that active instructors pay a \$50 fee annually. In return, Safety Center will provide the instructor with updated materials as they become available. Refresher training may be required if changes to governing laws and regulations are substantial.

Products and Teaching Materials

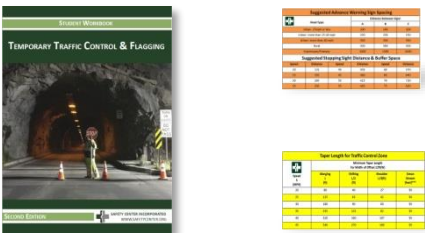

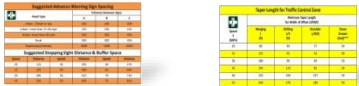

Upon completion of the course, instructors will receive materials to assist them in the training of their students. Complimentary materials will be included, such as:

1. Traffic Control and Flagging PowerPoint
2. Traffic Control exercises
3. The pre-test and test
4. Answer keys for the pre-test and final test
5. Bubble sheets
6. CAMUTCD 2014 Rev. 3 Part 6
7. Flagging Instruction handbook

Should any of these documents need to be replaced, please contact Stephen@SafetyCenter.org
