

Dear Community Supporter,

On Thursday May 9, Safety Center will host the **18th annual Taste of the Little City at Safetyville USA**. Since its inception, this event has raised nearly a half of a million dollars to support the life-saving messages delivered through the Safetyville program. This unique children's safety education program provides children ages 4-9 a highly interactive docent guided tour of our little city. They learn important health and safety lessons such as, pedestrian safety; fire safety; stranger-danger; animal safety; how and when to dial 9-1-1; nutrition; dental hygiene and the value of exercise.

Not only is it the premier fund raising event supporting Safetyville, Taste of the Little City offers a one-of-a-kind experience for adults to stroll the streets of Safetyville while enjoying fine food, award winning wines, and microbrews.

*We are hoping you will participate in this special event by donating a **silent auction item**.*

As a donor for the event, you will receive the following benefits:

- Recognition in event program distributed to all attendees (expected attendance is 600)
- Exposure and recognition as an organization committed to the health & safety of the community

Can we count on your support?

Enclosed you will find an Auction Donation Participation form. Please take a moment to complete the attached response form and return it by **April 5th 2018**. If you have any questions, please give me a call at (916) 366-7233 ext. 1203 or send me an email: angela@safetycenter.org.

Sincerely,

Angela Tanner
Safetyville USA Event Coordinator

All proceeds from *Taste of the Little City*, including auction item bids, will support the children's safety and health education programs at Safetyville USA. Our non-profit Tax ID# is 94-2831134.
