Dear Friend of Safetyville,

Teamwork makes the scream work! Safetyville is reimagining our signature Halloween event, and we need your help to make it happen. Trick or Treat Safetyville provides a safe environment for kids of all ages to trick or treat. As event goers walk the spooky streets, they will find (not-so) scary, silly, and super surprises behind every door.

This reimagined event will take on Saturday, October 29, 2022, from 4 p.m. to 8 p.m. at our unique miniature city, Safetyville USA, 3909 Bradshaw Road.

All funds raised support Safetyville USA, an initiative of Safety Center. Through field trips, community events, and outreach, Safetyville USA provides our community members with the skills, knowledge, and resources that can keep them safe and healthy across all areas and stages of their life.

Please help us get the party startled this Halloween by hosting a Trick or Treat Station, volunteering, or by donating trick-or-treat prizes.

We would love to have you join us as a Trick or Treat Station host for this exciting event. As a station host, your business would decorate a table (or building) in the Halloween theme of your choosing, along with anything else you would like to share with the 1200+ event guests of all ages. You are welcome to bring activities or games, educational materials, marketing materials, etc. Products or services may not be sold during the event. During the event, your business would provide one or more people to staff your station. If possible, station hosts are asked to provide items for trick-or-treaters.

Thank you for your consideration. Please return the attached participation form by Thursday, September 29. If you have any questions, or would like to discuss other ways to engage with our community through Safetyville, please give me a call at 916.366.7233 ext. 1239. I look forward to hearing from you!

Sincerely,
