

**SAFETY  
CENTER®**

# WE KNOW SAFETY

## Open-Enrollment Training

- Attend pre-scheduled classes at our campus.
- Learn in an interactive, group atmosphere.
- Ideal for all employees.

## Safety Consulting

- Simplify your workplace challenges and make a written plan that meets Cal/OSHA regulations.
- We train and consult for Heat Illness Prevention Plans, Injury and Illness Prevention Plans, Hazard Communication, and more.

## On-Site Training

- Customized training taught at your location.
- Pick a date that works best for you.
- Learn with co-workers, elevate your culture of safety
